

## ASIA SHORT-TERM INSURANCE RESERVING WORKSHOP – 10-11 Aug. 2016 (Bangkok, Thailand)

The Asia Short-Term Insurance Reserving Workshop is designed with the objective to give participants a thorough understanding on reserving of short-term life and general insurance liabilities. Drawing from the extensive experience of our seasoned facilitators, we deliver a highly effective workshop for beginner and intermediate levels professionals who work for the insurance industry, this seminar is a joint collaboration between the **Actuarial Partners** and the **Society of Actuaries (SOA)**, and co-sponsored by **Team Excellence**.

This is a hands-on, interactive workshop. Participants are expected to bring your own laptop to perform the tasks assigned as well as to contribute to group discussions, guided by our facilitators in a thought provoking manner. During our workshop, participants shall:

- Build claims triangles from raw claims listing data
- Apply judgement in selecting link ratio factors and ultimate loss ratios, considering underwriting, pricing and claims management practices
- Calculate capital requirements for claims and premiums liabilities

Participants shall benefit from the following learning outcomes:

- Understand short term insurance reserving in a practical context
- Gain hands-on experience on commonly used methods in reserving
- Apply technical and business knowledge into reserving

**Practical & relevant**

**Developed for  
insurance  
practitioners**

**Led by experienced  
practitioners**

**Hands on, interactive &  
fun**

**CPD opportunity**

**Networking  
opportunity with fellow  
professionals**

**Who should attend?**

**Life & general insurance  
actuarial professionals at  
beginners or intermediate  
levels in reserving**

**Audit, risk, finance  
professionals working  
closely with actuarial  
department on reserving  
matters**
