

AP College

AP College is established to further our mission of **building value together** with you. Actuarial Partners have been providing education and training services internationally, in addition to our core business of consulting service. With increasing demand for our education and training services, in 2015, we establish AP College to **focus and intensify our efforts in education and training** to better serve you. It is our vision that the **learning experience at AP College contributes to your success**.

Our Value Proposition

Our expertise and experience. Our courses are delivered by highly qualified practitioners with global experience in the financial service industry. We have the breadth and depth of knowledge as well as the practical experience in the subject matter.

Our delivery methods. We always seek to deliver the most effective learning experience for you. We invest in developing innovative and interactive delivery methods.

Our customised courses. We invest time to understand you. We recognise that needs are different and we tailor our courses to your specific needs.
